March 16, 2009

TO OUR VALUED CUSTOMERS:

Effective with shipments April 1, 2009 we are adjusting our scrap surcharge due to changes in raw material cost. The scrap surcharge will be reviewed monthly and currently is as follows:

Shipments April 1 - 30, 2009

All Shapes – All Sizes – Cold Finished and Hot Roll

<u>Grades</u>	<u>Surcharge</u>
All Carbon & Alloy Grades	\$1.50/Cwt.

This amount will be applied to all shipments and will be reflected on our invoice.

This surcharge is due to the escalation worldwide for scrap that has caused the prices to increase at uncontrollable rates. We expect this cost will fluctuate widely in the months ahead.

Please contact your Niagara LaSalle sales representative if you have any questions regarding this announcement.

Thank you for your continued support.

Sincerely,
